

## **Happiness is a Watermelon on your Head**

Meet Miss Jolly, her pet boar Melvin and their three neighbours Miss Whimper, Miss Grouch and Miss Stern.

Miss Jolly is always happy, and her neighbours are always miserable. Something needs to be done to cheer them up.

Miss Jolly has found the secret of happiness – maybe you can help her neighbours find it too?

### **Design your own hat!**

Miss Whimper, Miss Grouch and Miss Stern try everything to find the secret of happiness – they even try making their own hats out of some very strange things. Could you help them? Draw a picture of a hat that would make people happy.

Things to think about: What's it made of? Why does this hat make you happy?
